Villaggio Camping Capo Ferrato is:

Campsite Capo Ferrato was established in 1965 as one of the first campsites in Sardinia, and has always been run by the same family. Opening period: from Easter until end-October. It's situated on a 20.000 sq. m. area, shaded by eucalyptus, silver wattle and other Mediterranean plants. It's located right on the sea. From campsite you can admire the wonderful view of the Point of "Santa Giusta" with the "Peppino" reef, which is only a 5-minute walk on the sand. Can host until 350 people. It has 83 pitches, of which 25 are panoramic view sites, plus 26 bungalows and a mobile home with all comforts.

Not only entertainment, but also unique experiences!

SARDINIAN WEEKS

During the low season, we organize "Discovering a little bit about... Sardinia": some theme-weeks with cultural and gastronomic entertainment program, local products and ethnographical display, art exhibitions, folk group shows, botanical tours and entertainment with original and funny activities for children. Every year programs are different, to offer always something new and original! Ask us the complete program or subscribe our newsletter to be always informed about news and offers at campsite.

ANIMATION

In July and August we propose a nice entertainment everyday different: sports and evening entertainment (dance, physical training, a show, an evening dance, a live music concert or a dance performance, etc.), mini-club activities for the children and naturalistic, archaeological and cultural excursions, organized in cooperation with local guides. During the night, every activity takes place at the extreme end of the campsite, in order not to disturb the quiet of our guests.

OUR BUNGALOWS

Our bungalows, immersed in vegetation, are comfortable small houses in masonry or in wood, perfect for a relaxing and an open-air holiday. Finishing touches are really painstaking and they have air conditioning/heating (extra charge on usage), have hot water, and respect also environment with their energy conservation system. Into each type of bungalow domestic animals are not allowed.

We offer three types of bungalows: "natura" in wood, "comfort" and "free" in masonry, and a mobile home.

Bungalows for 2 people "natura" and "comfort" (about 20 sq. m. + terrace): consisting in a living room/bedroom with double bed, equipped kitchenette and a toilette (wc, washbasin, bidet and shower).

OUR PITCHES

Bungalow - 4 People "free"

Mobile-home - 4 People

Campsite has 83 pitches, all bounded and numbered, which are of three types: normal inner, sea view and half pitch. All pitches have 2 Amp. (220 Volt) electric hook-up facility with CEI socket, in accordance with EEC directives. Some of the pitches have a 6 Amp electric hook-up.

Normal pitches and half pitches (perfect for small tents) are situated in the vegetation, at most 60 mt. from exit at the beach.

Our buttonholes are **25 pitches with sea view**: they're situated just in front of the beach, with a magnificent view on all the coast of Costa Rei and Peppino rock. Because of their peculiarity, not all sea view pitches are shadowed.

On arrival day pitches are available after 4:00 pm and have to be left within 1:00 pm on departure day.

Notes for our accommodations

Outside each type of bungalows there's a covered terrace, which can be used to relax or eat in open air with table and seats. Kitchenette is provided with a gas cooker, fridge, sink and cupboard with kitchenware (pots, plates, glasses, cutlery, etc.). The guests should bring bed linen and sheets. On request, management can provide bed linen and bath towels with an additional charge. On arrival day bungalows and mobile home will be ready after 4:30 pm and have to be left within 10:00 am on departure day. All accommodations must be left clean and in good order. On request, management will provide final cleaning with an additional charge.

Sanitary

Campsite has two sanitary blocks with free hot and cold showers, laundry (for clothes and kitchenware), one-token washing machine and one tumble dryer (there's also the chance to take hot water away). There's moreover a Baby-room with changing table and a washbasin for children. Nearby sanitary blocks there're also sewage disposal units (for boxes dumping) and a camper service area with column.

Coming without reservation

We book just a limited number of pitches, so it's possible to arrive at campsite also without reservation. We're a small campsite, so we suggest, especially during high season, to call us (+39 070 991012) before arriving, so we'll give you information about our availabilities.

Campsite's location

DIRECTIONS

We're on the southeast coast of Sardinia in the southern part of the tourist and residential area of Costa Rei.

GPS 39° 14' 34" North, 9° 34' 09" East

Be careful: campsite is in Costa Rei (loc. Le Ginestre basse) and not on the promontory of Capo Ferrato!

Surroundings

From campsite you can easily reach the following facilities:

- Department store 500 m
- Bus stop 500 m
- Petrol station 500 m.
- Chemistry 500 m
- First-aid station 3 km. – Hospital in Muravera 25 km
- Post office and bank 10 km (loc. Olia Speciosa) – During summer there's a ATM in Costa Rei
- Bicycle, motorcycle and car hire (at campsite)
- Rubber-dinghy hire, slip-way for boats, boathouse 1 km
- Diving 2 km
- Riding school 3 km

Excursions:

- **The Promontory of Capo Ferrato** (7 km north from campsite), characterized by small inlets and rocks, is an ideal location for those who love fishing and diving.
- Few kilometres from campsite there's "**Sette Fratelli**" Park. It's a spectacular mountain range with canyons and covered with woods of Mediterranean vegetation, where one can do trekking excursions.
- In the small village of Castiadas (10 km away from campsite)

you can visit an interesting agricultural penal colony, which dates back to the XIX century. The wine growers' association of Castiadas is well-known in Sardinia above all for the famous local wine "Cannonau".

- Just 15 km away from campsite there's the popular tourist resort of **Villasimius** (there's also a tourist port, among other things), from where it is possible to take excursions on boats and sailing boats to the unpolluted sea park of "Capo Carbonara" and the islands of Serpentara or "dei Cavoli".
- 25 km away from campsite there's **Muravera** the chief

town of the Sarrabus region: it's renowned for the citrus fruit cultivation (in spring, the "citrus fruits festival" attracts many people), for the production of handmade rugs and also for its musical traditions (for example, the making of "launeddas", a typical ancient musical instrument). This region is characterized by the presence of ponds, with an interesting bird-rearing fauna (pink flamingos), and of fishponds, where are breed mullets and eels, which are among the most appreciated in Sardinia.
